Margaret Pratt Tribute - Legacy Song

Changing of The Guard & Newsletter

The Margaret Pratt Foundation's support of The Alfred's Lung Transplant Research Program will be moving to the Lungitude Foundation during 2017.

[Click here](#) to download the PDF version of our latest newsletter which explains the changes.

The Margaret Pratt Foundation is proud to announce that we will have raised around \$1,400,000 for The Alfred's Heart Lung Transplant Service! The Foundation has been a major contributor towards the vital research being undertaken into chronic rejection after lung transplantation since 2000. We could not have

achieved this amazing milestone without the hard work and dedication of our committee, sponsors and supporters. Thank you for attending our fundraising events and donating your time, goods or funds towards such a worthy cause. Margaret would have been ecstatic with such a fabulous result!

We would be thrilled if you could continue to support the lung transplant research journey in Margaret's honour by attending one of the Lungitude Foundation's upcoming events. Please take a look at www.lungitude.com.au for more information.

Events Calendar

Effective 1 January 2017 all events will be run by the Lungitude Foundation. [Click here to view their upcoming events!](#)

Margaret Pratt 'Breathe Easy' Rose

We are pleased to announce the great success of the 'Breathe Easy' rose in honour of Margaret Pratt. Roses are no longer available unfortunately, but to learn more about Breathe Easy please [click here](#).

Tribute to Margaret Pratt, Legacy Song

A song called Legacy has been written in tribute of Margaret Pratt.

Upcoming Events

Effective 1 January 2017 all events will be run by the Lungitide Foundation. [Click here to view their upcoming events!](#)
